Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

Cleveland (US 6,683,611) does not disclose or suggest the "read means for reading out the relevant parts of the book text corresponding to the plurality of characters displayed with the book text such that a part corresponding to said each character of the plurality of characters is read out in the voice of the reader selected to correspond to the character" in correspondence with the remainder of the elements of independent claims 21 and 25. Other independent claims 29 and 33 include similar and additional limitations not taught or suggested by Cleveland.

None of the prior art of record, taken alone or in combination, provides sufficient disclosure to teach or suggest the claimed user-operable allocation means for selecting a reader to correspond to each character and read means for reading out the relevant parts of the book text...in the voice of the reader selected to correspond to each character, in conjunction with the remaining elements of the claimed electronic book apparatus.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
